

## Directions to the Chelsea Harbour Hotel.

### Via Tube

The closest station to our hotel is Imperial Wharf which is on the over ground (Orange line) There are a few stations which directly connect to the over ground train and those are Shepherd's bush (Central line, red line) and West Brompton (District line, green line) the tube map below shows the connections.

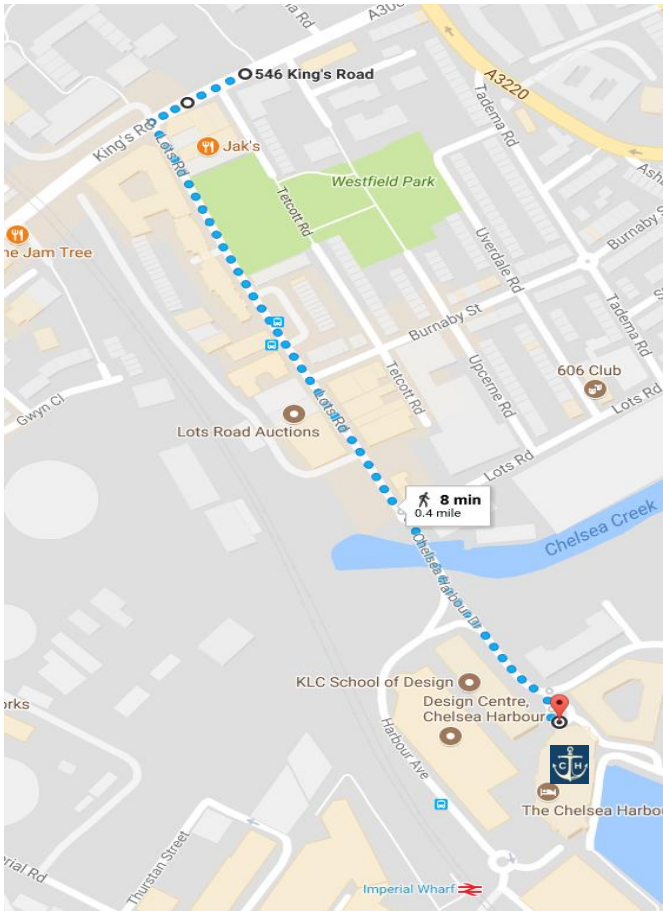

The walk from Imperial Wharf Station is a simple 4minute walk. Below you have a small map showing the two possible routes.

## Via Bus

There are also a few buses that come in close distance to our Hotel from Central London. I have also attached a general bus map

The walk from the Bus stop is an 8-10minute walk depending on the pace as the map on the left displays

We also have Chelsea Pier just a few minutes' walk from our Hotel and you can always take a River Taxi from anywhere in central London directly to our hotel.

The map on the right indicates the walk from the pier to our Hotel.
